

MMSEA:

Important Dates and Deadlines

March 16, 2009	Publication of the CMS NGHP User Guide
May 1, 2009	Earliest date an RRE can register with Coordinator of Benefits Secure Website (COBSW)
July 1, 2009	Implementation date to capture and report for NGHP for Ongoing Responsibility Medical (ORM) prior medical payments and that the claimant is Medicare eligible as of this date. The claimant's data must be submitted in the initial quarterly Section 111 Input Claim File.
September 30, 2009	Last day an RRE can register with the COBSW
January 1, 2010	Implementation date to capture Total Payment Obligation to Claimant (TPOC)
January – March 2010	Testing period for claim input files
April – June 2010	Initial production input and live file submissions to CMS
July - October 2010	Because of the difficulty RREs may have collecting all the necessary data elements for individuals for whom responsibility was assumed prior to July 1, 2009, CMS is permitting RREs to delay reporting for these individuals until the RREs assigned submission period for the third quarter of 2010
